

## My favorite cartoon

I am going to speak about my favorite cartoon by Walt Disney. I like many cartoons created by Walt Disney. But one of my favorite ones is called «Aladdin». Aladdin is an American animated musical fantasy film produced by Walt Disney Feature Animation and released by Walt Disney Pictures. The film is based on the famous tale of Aladdin from "1001 nights"

It is a comedy. This cartoon is full of special effects and stuffed with events. In the cartoon we can see Aladdin, a poor street urchin who spends his time stealing food from the marketplace in the city of Agrabah. His adventures begin when he meets a young girl who happens to be Princess Jasmine, who is forced to be married by her wacky father.

Aladdin's luck suddenly changes when he retrieves a magical lamp from the Cave of Wonders. What he gets is a fun-loving genie who only wishes to have his freedom.

In conclusion I'd like to say that I like this cartoon because it is excellent and fantastic. It is interesting for children and adults too. And also this cartoon will be pleasant to everyone who will watch it.
