

James Cooper

"The Last of the Mohicans"

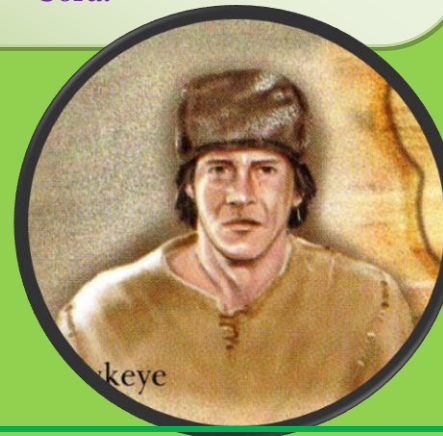

We would like to tell you about the book, we have recently read.
It is an adventure story

We would like to recommend this book to our friends, because it is an interesting story with wonderful characters.

The main characters of the story are Hawkeye, Uncas, Magua, Chingachgook, Cora, Alice, Major Heyward.

Our favourite character is Hawkeye. He is very brave and honest. He did his best to save Alice and Cora.

In 1757, in the north-east part of New York state, the English and the French were fighting over who would one day control the land. The forests around this area were filled with danger.

The book teaches us to be kind and rescue people. It teaches us honesty and friendship.
